Sir,

Alienation - Land - Udipi Taluk - Amblapadi village -S.No.46/1A2 - Devil shrine.

Thirteen Adidravidas of Amblapadi village, Udipi Taluk, have applied for the alienation of S.No.46/1A2 of --- Amblapadi village measuring 30 cents of land for constructing a devil shrine. As the Adidravidas were not a ------- registered body, a reference was made to the Board whether alienation could be made to it in view of G.O.289/Rev. ---- dated 3rd February 1920, and the Board in Endorsement ----- No.537 dated 12th February 1923 has held that alienation -- under B.S.O.24 is the proper course, and that the land may be alienated in favour of a person elected by the Adidravidas. They have accordingly elected one Nakra, and he is willing to abide by the conditions laid down in B.S.O.24 and also to abide by the additional condition of constructing the building within two years from the date of the ---- grant.

2. In view of the circumstances of the applicants — and their reason for making the application, I recommend -- that the alienation may be sanctioned free of charge for -- the occupancy-right and free of assessment but subject to — the above conditions.

3. The alienation statements are herewith submitted.

Your obedient servant,

P.T.O

No. _____, dated _____ 191

The draft is approved.

My only doubt is whether govt are bound to assign lands gratis for purposes of devil worship (2 C.F. simply because 13 adidravidas joined together & made a demand. Will it be desirable if 13 of Mussalmans make a similar demand?

Secondly devil worship does not (X) similar to true Hindu Shiva & 1200 Sirs (Y) 31.5.23 Carts around it. Any tree, open space or rock will perhaps do

Rm - 27/9/23 I would let them worship their devils on Govt. Land if they want it. It is presumably of little value & we must be prepared to have thousands of similar shrines on Government lands for

The Board recommends the alienation of the land and the revenue detailed in the enclosed Statements:

2 The alienation, if sanctioned, should be free of charge for the occupancy right and free of assessment but subject to the following Conditions to which the alinee has agreed :-

(1) The land shall be used for the Construction of a ~~devil~~ Shrine ~~for the use of the adi-dravidas~~ and for no other purpose

(2) The building shall be Constructed and dedic

for use within two years
from the date of the grant.
(3) The Govt: may resume
the land wholly or in part
in the event of the non-compli
-ment of any of these
Conditions.
4) In the event of such
resumption the grantee may
be required to remove any
buildings he may have
erected thereon and shall
have no claim for compensation
of any sort
5) In the event of compulsory
acquisition by Govt under the
Land Acquisition Act the
Compensation payable shall
not exceed the initial ~~cost~~
value or the value at the
time of acquisition whichever
may be less of any buildings
erected in accordance with
the terms of the grant
(6) Full ~~assessment~~ assessment will be
levied if at any time
any income is derived from
the ~~exemption~~. Sketch

We can bank the whole question of the devise by prescribing that "the land shall be used for the construction of a shrine & for no other purpose." It seems handy words which would cover an "animist" shrine. [illegible]

Subject:- Alienation - Land and Revenue - South Kanara - Udipi Taluk - Ambalpadi village - M.M.Nakra - Shrine.

12.5 Cr

The Government are of opinion that alienations of the kind should not be sanctioned without some explanation of the necessity. The Board of Revenue is accordingly requested to state why any land should be given for the purpose, and if a grant of land be necessary, whether it should be in the form of alienation and not ~~assignment~~ outright assignment

2. The Board of Revenue is requested to state the caste of the people that will worship in the proposed temple and consider whether the application of the term 'Adidravidas' to them may not lead to some complications in future.

Sir,

Subject:- Alienation - Land and revenue - South Kanara - Udipi Taluk - Amblapadi village - M. H. Nakra - Shrine - Board's Ref.No.3251-23-2 dated 22nd August 1923.

****

On a reference made from this office, the Board in its endorsement No.537 dated 12th February 1923 held that alienation under B.S.O.24 was the proper course in the present case, and that the land might be alienated in favour of a person elected by the Adidravidas. This view is supported by G.O.No.3223 Rev. dated 12th October 1917 in B.P.No.210 L.R. dated 29th November 1917.

2. The people who will worship in the temple are by caste 'Holeyas', a depressed class in this district. If it is not decided to retain this description, I do not apprehend that any complications will result by the use of the term "Adidravidas", in view of the fact that the term has been sanctioned by Government in their Memo.No.3115-1, L.& M. dated 20th June 1922, and that the worshippers in the shrine will be the Adidravidas (Holeyas) themselves.
